MSI Afterburner is the world's most recognized widely used graphics card control utility. For more information please visit: http://www.msi.com/page/afterburner

Note that the installation pictures shown are for reference only and may vary from the actual ones. For more information about MSI Graphics Cards, please visit: http://www.msi.com/Graphics-Cards

Package Contents

1. Main product box
2. Quick start guide
3. Power supply
4. SATA cables

System Requirements

1. Windows 10
2. Intel Core i3-10105
3. 8GB RAM
4. 128GB SSD

Auxiliary Tools

1. Phillips screwdriver

Hardware Installation

1. Open the case
2. Install the motherboard
3. Install the RAM
4. Install the SSD
5. Connect the power supply
6. Connect the SATA drives
7. Connect the front panel
8. Close the case

简体中文

包装内容

1. 主机
2. 快速入门指南
3. 电源
4. SATA 数据线

系统要求

1. Windows 10
2. Intel Core i3-10105
3. 8GB RAM
4. 128GB SSD

辅助工具

1. 十字螺丝刀

MSI Warranty Procedures and Conditions

This is only valid for Australia.

The terms and conditions of MSI's warranty described herein adhere to the guidelines set forth by the Australian Competition & Consumer Commission ("ACCC"), in addition to the specific provisions under the Australian Consumer Law ("ACL").

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonable foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality for a longer period.

(1) Determination of the warranty period.

The warranty period starts from the date you purchase the product with valid invoice. If the date of the warranty period is a holiday, the following day shall be the day of the warranty period.

(2) Customer-Initiated Defect (CID)

If the problem or symptom is not diagnosed with improper usage defined as Customer-Initiated Defect (CID), shall not be accounted in warranty claim of the product. MSI reserves the right to determine whether the products are operated within the scope of proper usage.

(3) Limited Warranty

The software not provided is not covered under the Product's warranty. MSI assumes no responsibility for any damage or injury caused by the customer used any not approved computer hardware or damage.

(4) Screen the problems by self-checking

Please first review the User's Manual and contents of the Software CD included with the Product. The User's Manual and Software CD provided by MSI contain a lot of information about product use. The manual will compose from user's perspective can answer many of your questions.

MSI has available for purchase MSI latest group of computer accessories with profession and knowledge. You may contact a message about the product you encounter or MSI categorized as a discussion forum, and our engineers will try their best to answer your question. MSI's responsible loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality for a longer period.

(5) Seek support from the original source of purchase

If you cannot seek any solution for the problem at the above methods, you may also support from the original source of purchase, because the original date of purchase should not less than your support from the original source of purchase.

(6) Bring the Product to the original source of purchase

If your product has been determined by the MSI engineer or store as problematic or defective in hardware, and have your need for repair, you may bring your product to request for repair or replacement to the original date of purchase to send the product or replacement to your request or support from the original source of purchase.

(7) Warranty receipt

The valid invoice of your purchase shall be provided for the warranty receipt.

(8) Contact

Please contact the additional address is required. Please contact MSI Australia Pty at the following: Unit 16, 22 Hines Dr, East Auburn NSW 2144, Australia. Tel: 61 2 9439 8200. Email: austin@msi.com
