包装内容

1. 主机
2. 快速入门指南
3. 电源适配器
4. SATA 转 USB 适配器

系统要求

1. Windows 10
2. 4GB RAM
3. 16GB free space

辅助工具

1. 十字螺丝刀

MSI Warranty Procedures and Conditions

This is only valid for Australia

The terms and conditions of MSI's warranty described herein apply to the products set forth by the Australian Consumer Law (ACL).

(1) Determination of the warranty period: The warranty period starts from the date you purchase the product with valid invoice. If the date of the warranty period is a holiday, the following day shall be the day of the warranty period.

(2) Customer-Initiated Defect (CID): If the problem or symptom is not described with improper usage defined in Customer-Initiated Defect (CID), and is not to be considered in warranty claim of the product, MSI reserves the right to determine whether the products are operated within the scope of proper usage.

(3) Limited Warranty: The software not provided is not covered within the Product's warranty. MSI assumes no responsibility for the software not provided by the customer, but any other possible consequential damages or damage.

(4) Screen the problems by self-checking: Please first review the User's Manual and contents of the Software CD included with the Product. The User's Manual and Software CD provided by MSI contain a lot of information about product use. The manual will compose from user's perspective can answer many of your questions. If your manual has not addressed the problem you are experiencing, you may contact the MSI Australia Consumer Law (ACL) forum. You may post a message about the problem you encounter or MSI categorized as a discussion forum, and our engineers will try their best to answer your question. Responsible loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail due to acceptable quality under applicable law.

(5) Seek support from the original source of purchase: If you cannot seek any solution for the problem at the above methods, you may also seek support from the original source of purchase, because the original date of purchase should not have your system configuration and specifications, and can provide you with any necessary repair and service.

(6) Bring the Product to the original source of purchase: If your product has been determined by the MSI engineer or store as problematic or defective in hardware, and you have the need for repair, you may bring your product to the original source of purchase to be repaired. The original date of purchase to send the repair or replacement of your product will be the date of shipping.

(7) Warranty receipt: The date of receipt of your purchase should be provided for the warranty receipt.

(8) Contact: MSI Australia Consumer Law (ACL) forum: www.msi.com.au Email: msi@msi.com.au
