**CAUTION:** Handle the cap with care. The cap plays a very important role in maintenance of the water resistant and dustproof performance. When using the unit, make sure that the cap is closed completely. When closing the cap, be careful not to allow foreign objects inside. If the cap is not closed completely the water resistant and dustproof performance may deteriorate and may cause a malfunction of the unit as a result of water or dust particles entering the unit.

**How to care for the unit**  
Although the fabric part of the unit has water repellent treatment applied, you can use the unit more comfortably and for a longer period of time by following the maintenance procedure below:

- If the surface of the unit gets dirty in the following cases, wash the unit with fresh water (tap water, etc.) promptly to remove the dirt. Leaving dirt on its surface may cause a procedure to discolour or deform, or the unit to malfunction.
  - When the unit has got sand, soil (dust), or other residue on it after having been used in a mountain area, by a swimming pool, etc.
  - When the unit is started with foreign substances (sweat, sun tan oil, etc.)
- Wipe off the moisture on its surface, and put the unit on a dry cloth to drain the collected water inside the unit. Then, dry the unit on a dry cloth to remove any moisture remaining on its surface may cause the unit to freeze and malfunction.
- If sand, grains, etc. enter the fabric or other part of the unit, remove them carefully. Never use a vacuum cleaner, etc. on the unit. It may cause damage of the speaker section or other part of the unit. It is not malfunction. Wipe off the moisture on its surface, and put the unit on a dry cloth to drain the collected water inside the unit. Then, dry the unit on a dry cloth to remove any moisture remaining on its surface.

Do not expose the product to a confined space, such as a kitchen or a bath cabinet.

Do not expose the batteries (battery pack or batteries installed) to excessive heat, such as sunshine, fire or heat, for a long time.

Do not expose the batteries (battery pack or batteries installed) to excessive heat, such as sunshine, fire or heat, for a long time.

Do not expose the batteries (battery pack or batteries installed) to excessive heat, such as sunshine, fire or heat, for a long time.

Do not expose the batteries (battery pack or batteries installed) to excessive heat, such as sunshine, fire or heat, for a long time.

Do not expose the batteries (battery pack or batteries installed) to excessive heat, such as sunshine, fire or heat, for a long time.

Do not expose the batteries (battery pack or batteries installed) to excessive heat, such as sunshine, fire or heat, for a long time.

Do not expose the batteries (battery pack or batteries installed) to excessive heat, such as sunshine, fire or heat, for a long time.

Do not expose the batteries (battery pack or batteries installed) to excessive heat, such as sunshine, fire or heat, for a long time.

Do not expose the batteries (battery pack or batteries installed) to excessive heat, such as sunshine, fire or heat, for a long time.

Do not expose the batteries (battery pack or batteries installed) to excessive heat, such as sunshine, fire or heat, for a long time.

Do not expose the batteries (battery pack or batteries installed) to excessive heat, such as sunshine, fire or heat, for a long time.

Do not expose the batteries (battery pack or batteries installed) to excessive heat, such as sunshine, fire or heat, for a long time.

Do not expose the batteries (battery pack or batteries installed) to excessive heat, such as sunshine, fire or heat, for a long time.

Do not expose the batteries (battery pack or batteries installed) to excessive heat, such as sunshine, fire or heat, for a long time.

Do not expose the batteries (battery pack or batteries installed) to excessive heat, such as sunshine, fire or heat, for a long time.

Do not expose the batteries (battery pack or batteries installed) to excessive heat, such as sunshine, fire or heat, for a long time.

Do not expose the batteries (battery pack or batteries installed) to excessive heat, such as sunshine, fire or heat, for a long time.

Do not expose the batteries (battery pack or batteries installed) to excessive heat, such as sunshine, fire or heat, for a long time.

Do not expose the batteries (battery pack or batteries installed) to excessive heat, such as sunshine, fire or heat, for a long time.

Do not expose the batteries (battery pack or batteries installed) to excessive heat, such as sunshine, fire or heat, for a long time.

Do not expose the batteries (battery pack or batteries installed) to excessive heat, such as sunshine, fire or heat, for a long time.

Do not expose the batteries (battery pack or batteries installed) to excessive heat, such as sunshine, fire or heat, for a long time.

Do not expose the batteries (battery pack or batteries installed) to excessive heat, such as sunshine, fire or heat, for a long time.

Do not expose the batteries (battery pack or batteries installed) to excessive heat, such as sunshine, fire or heat, for a long time.

Do not expose the batteries (battery pack or batteries installed) to excessive heat, such as sunshine, fire or heat, for a long time.

Do not expose the batteries (battery pack or batteries installed) to excessive heat, such as sunshine, fire or heat, for a long time.

Do not expose the batteries (battery pack or batteries installed) to excessive heat, such as sunshine, fire or heat, for a long time.

Do not expose the batteries (battery pack or batteries installed) to excessive heat, such as sunshine, fire or heat, for a long time.

Do not expose the batteries (battery pack or batteries installed) to excessive heat, such as sunshine, fire or heat, for a long time.

Do not expose the batteries (battery pack or batteries installed) to excessive heat, such as sunshine, fire or heat, for a long time.

Do not expose the batteries (battery pack or batteries installed) to excessive heat, such as sunshine, fire or heat, for a long time.

Do not expose the batteries (battery pack or batteries installed) to excessive heat, such as sunshine, fire or heat, for a long time.

Do not expose the batteries (battery pack or batteries installed) to excessive heat, such as sunshine, fire or heat, for a long time.

Do not expose the batteries (battery pack or batteries installed) to excessive heat, such as sunshine, fire or heat, for a long time.

Do not expose the batteries (battery pack or batteries installed) to excessive heat, such as sunshine, fire or heat, for a long time.

Do not expose the batteries (battery pack or batteries installed) to excessive heat, such as sunshine, fire or heat, for a long time.

Do not expose the batteries (battery pack or batteries installed) to excessive heat, such as sunshine, fire or heat, for a long time.

Do not expose the batteries (battery pack or batteries installed) to excessive heat, such as sunshine, fire or heat, for a long time.

Do not expose the batteries (battery pack or batteries installed) to excessive heat, such as sunshine, fire or heat, for a long time.

Do not expose the batteries (battery pack or batteries installed) to excessive heat, such as sunshine, fire or heat, for a long time.

Do not expose the batteries (battery pack or batteries installed) to excessive heat, such as sunshine, fire or heat, for a long time.

Do not expose the batteries (battery pack or batteries installed) to excessive heat, such as sunshine, fire or heat, for a long time.

Do not expose the batteries (battery pack or batteries installed) to excessive heat, such as sunshine, fire or heat, for a long time.

Do not expose the batteries (battery pack or batteries installed) to excessive heat, such as sunshine, fire or heat, for a long time.

Do not expose the batteries (battery pack or batteries installed) to excessive heat, such as sunshine, fire or heat, for a long time.

Do not expose the batteries (battery pack or batteries installed) to excessive heat, such as sunshine, fire or heat, for a long time.

Do not expose the batteries (battery pack or batteries installed) to excessive heat, such as sunshine, fire or heat, for a long time.

Do not expose the batteries (battery pack or batteries installed) to excessive heat, such as sunshine, fire or heat, for a long time.

Do not expose the batteries (battery pack or batteries installed) to excessive heat, such as sunshine, fire or heat, for a long time.
